

Laurentide Paint 

Colours + nuances

Your home, renewed source of energy. Shared or private. Let the colour charm you, transport you. Luminous, undeniably warm and cozy, our 2021-2022 colour palette is stylish while embracing some refreshing and daring colours accents. Synonymous with balance, depth and well-being. The dawn of a new era, a new chapter.

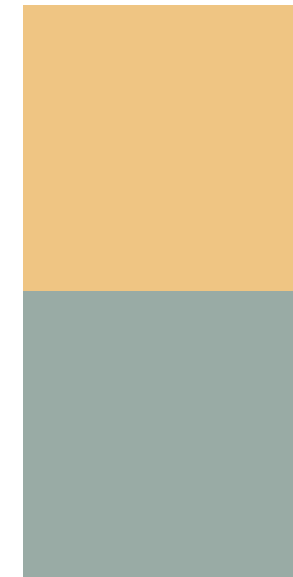

Perfect balance between a spirited yet timeless colour combination that will easily stand the test of time and fashion. Leave it to *Wild Turtledove*, *Parmentier* and *Roasted Squash* to create your perfect decor.

Sublime in every style, the *Wild Moss* and *Crystal Blue* colour combination pairs up beautifully whether used in the same room or to create a trendy atmosphere in an open space.

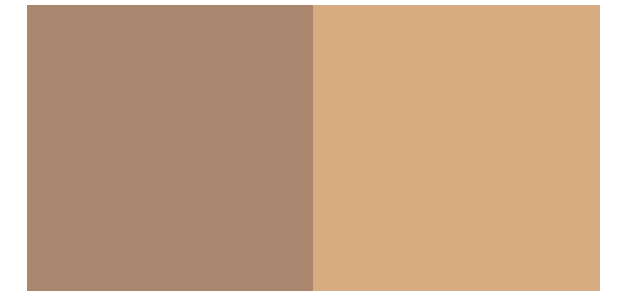

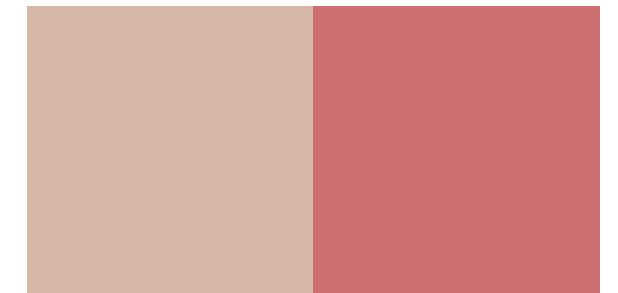

Colour transforms, influences, reflects and balances itself. Create the perfect harmony for your decor. No matter the season.

The *Golden Sunset* and *Kaki Blue* combination is here to stay! Strong and sought-after, this stylish combination represents radiance and calm simultaneously and will definitely please any colour connoisseur.

Delightful and south-after, monochromatic pairings are naturally welcoming. From the *Coppery Pink* and *Brassy Burgundy* enchanting carmine to the *Pine Cone* and *Ground Cumin* magnanimous browns, they will complete any style beautifully.
